Reasons to support EAP and the Escondido Municipal Gallery

EAP receives the majority of its operating funds from corporate sponsors and individual members, and for less than a daily cup of coffee you too can support some of the most important programs representing arts and culture in San Diego County. Your membership provides us with the dollars to continue running our local community arts space which draws over 18,000 to Escondido annually. This space documents and supports local artists working in all mediums. As a major donor you will support innovative arts programs like the *Emerging Artist-High School Student Show*, *Local Color Veterans Exhibition* and the *Recycled Materials Runway Event*. Your contribution allows us to present *Film Screenings* and *Art Connection* free to the community and schools, with a dynamic line-up of local filmmakers and teaching artists. Please help us and receive yearlong acknowledgment on our donor wall and throughout our website and printed literature.
