Dear Local Business,

Copper Creek Elementary School has been providing quality education to the children of Oro Valley since 1988 and can only continue to further its educational excellence through our generous donors.

Due to current state policies and decreased funding for public schools and programs, our PTO is looking for unique ways to supplement our school's annual budget. Specifically, we are attempting to raise funds to purchase much-needed school supplies, technology for the classrooms, update the playground equipment, update the PA system in our MPR, and many other projects to keep our school running in the best way possible for our students. For these reasons, the Copper Creek Parent-Teacher Organization (PTO) is asking for your support.

Our school's **Annual Silent Auction and Reception will take place on Saturday, April 2, 2022 at CROWN Concepts**. All proceeds from this event will go directly to the support of our students and teachers. **We are respectfully requesting your donation for our auction.** For your contribution, you will receive recognition in the Auction Catalog which is sent electronically to each family. Please note, our PTO is a non-profit 501(c)(3) organization (Tax ID 86-0906623), your business will qualify for a tax deduction equal to the value of your contribution. Sponsorship levels are also available for donations of \$100, \$300, and \$500+. For more information, please visit our website at [www.coppercreekpto.com](http://www.coppercreekpto.com).

Please send your donation to the following address prior to March 28, 2022 so that we can make sure you get recognition in all publications:
