You can help the effort by just checking in on a senior neighbor and/or offering to purchase food they need when you do your shopping!

Note: Parishioner, Cindy Malin, had a positive experience calling Joe Archino at the Senior Center, who arranged to have a student assigned to Cindy who called her to obtain her grocery list, purchased the items and delivered them to her porch wearing a mask. Using this service, Cindy paid for the groceries and the student purchased them for her as a community service.
