

College Preparation Seminar

Tuesday November 15

6:00p.m. - 8:00p.m.

The seminar will provide attendees with a broad overview of the college admissions process.

Topics will include:

- **common mistakes students make when navigating admissions**
- **tips and guidance on how to best identify and execute goals.**
- **the ins and outs of the common app**
- **how to determine which colleges to apply to**
- **what to focus on at each grade level**

The session will also include a Q&A section

**Presented by New Hampshire Academy of Science
& Upper Valley Tutoring at Crossroads Academy**
