

## New Vista “Safe at School” overview

### **Everyone: (Staff and students)**

- Masks must be worn.
- Social distancing must be practiced – 6 feet.
- Handwashing enforced.
- Sanitizing encouraged.
- Clean as you go.
- Rubber gloves available for those who want them.

### **On campus**

- Students will provide a health check list each day.
- Students temperatures will be taken in their car.
- Safe distancing will be practiced (6 feet).
- Frequent appropriate handwashing will occur.
- Frequent class sanitizing will occur throughout the day.
- Only two students in bathroom at a time.
- Students and staff will follow new on campus routes.
  - o Front stair case is “up” only
  - o Back stair case in “down” only
- Provide mask “breaks” when students can be more than 6 feet apart.
- Lunches should be brought in paper bags.
- Water should be in personal water bottles and wiped down daily.
- Rubber gloves available for those who want them.

### **In the Van**

- Students must have approval to ride in the van.
- Students and staff must wear face masks.
- Staggered seating must be used, as best as possible.
- The van will need to be wiped down after each use.
- Minimal interacting while in the van.

### **Off campus**

- Students must wear masks.
- Social distancing must be adhered to and practiced.
- Hand sanitizer should be brought and easily available for use.
- Lunches should be in paper bags.
- Water should be in personal water bottles and wiped down daily.
- Rubber gloves available for those who want them.

  

- Please review the detailed protocol list. Be safe!!
