Soccer Shots Camps provide children with an opportunity to develop their soccer skills, their character, and their creativity. Centered around a theme, children are provided with **fun activities** that include soccer games, as well as a variety of other age appropriate options such as crafts, team building exercises, snack time, or even literature. Children will be encouraged to participate in **daily themes**, and each camp will conclude with a celebration of the children's hard work. Children will be split into groups based on their age.

Please note that this is not a competitive soccer camp. Our focus is to develop fundamental soccer skills that will help children grow in confidence and have fun!
