

Nurse Practitioner Job description

Nurse Practitioner Job Description

Overview

We are seeking a dedicated and skilled Nurse Practitioner to join our School Based Health Center team. Work in Albuquerque with an integrated behavioral and physical health team. Experience with youth and adolescents is preferred. The ideal candidate will possess a strong clinical background and demonstrate a commitment to providing high-quality patient care. As a Nurse Practitioner, you will be responsible for assessing, diagnosing, and managing patient health concerns across various settings, including, family planning, behavioral health, and infectious disease care. Your expertise will play a crucial role in delivering comprehensive healthcare services to our diverse patient population.

Duties

- Conduct thorough patient assessments and evaluations to determine health status and needs.
- Develop and implement individualized care plans based on patient diagnoses.
- Provide treatment for acute and chronic conditions, including medication administration and management.
- Collaborate with interdisciplinary teams to ensure coordinated care for patients.
- Educate patients and families on health maintenance, disease prevention, and treatment options.
- Maintain accurate and up-to-date medical records in compliance with regulatory standards.
- Stay informed about current trends in healthcare practices, particularly in workers' compensation law and the care of individuals with developmental disabilities.

Qualifications

- Current Nurse Practitioner certification with relevant state licensure.
- Experience in behavioral health, working with youth/adolescents is preferred.
- Strong understanding of sterile processing protocols.
- Excellent communication skills with the ability to work effectively within a team environment.
- Compassionate approach to patient care with a focus on holistic treatment methodologies.

We encourage qualified candidates who are passionate about making a difference in the lives of patients to apply for this rewarding opportunity.
