## Exemplary SBHC Application

### Video Submission

Utilize a smartphone or point and shoot camera with video capabilities.

Limit the video to no more than 3 minutes.

Provide a brief introduction and tour of your clinic.

Introduce your staff and key school personnel who work with your SBHC.

Talk about and show us the features of your SBHC which you are most proud.

If you film minors, obtain consent using NMASBHC's photo and video release form. We assume consent of adults included in the video.

### One Supporting Document Per Characteristic

Choose attachments that best illustrate how your SBHC meets each characteristic (not each criterion within the characteristic). There are 7 characteristics. You should have 7 attachments.
