

Research Opportunity on Nutrition & Autism

Are you an **adolescent or young adult with autism spectrum disorder (ASD) aged 15-25** or a **parent/caregiver or service provider** for someone with ASD aged 15-25?

You are invited to participate in the research study: Scoping the Landscape in New Mexico on Nutrition for Adolescents and Young Adults with Autism Spectrum Disorder

Participation includes:

- Online survey (5-10 min)
- Zoom interview (30-60 min)

You will receive a **\$30** electronic merchandise card for participating.

To participate, go to bit.ly/ASD-NM or scan the QR code above.

Approved by the University of New Mexico Health Sciences Center Institutional Review Board (HRC#23-482)

This research is being conducted by Dr. Acadia Buro at the University of New Mexico College of Population Health. Questions? aburo@salud.unm.edu | 727-453-9951
