

# No Amount of Nicotine is Safe for Youth!

In collaboration with the Department of Health Nicotine Use and Control Program, Constellation offers **Paid Stipend Opportunities** to youth organizations for nicotine use prevention and control activities!

- **Join the Team:** You are invited to join a network of organizations throughout the state that are teaming up to address youth nicotine use (including vaping) and strengthen prevention!
- **Training & Resources:** Attend 4 meetings with other participants for networking and education. PLUS, choose from several FREE additional training and resource options.
- **Easy Implementation:** Choose from several Evidence-Based activities to implement at your organization and qualify for **up to \$6,000!**

**Get Involved Today, Contact us:**
