

Got Shots Provider Registration Form

July 6-August 17, 2024

Thank you for participating in this year's "Got Shots" back to school event. This year, Got Shots is being extended to 8 weeks—Saturday, 7/6 through Saturday, 8/17. All providers are invited to participate.

To be eligible for incentives, email your registration form to Maggie June at mjune@salud.unm.edu or fax to 505-272 -3764 no later than the deadline below

Registration Deadline for Incentives

Friday, June 7

Please note, we cannot predict if or guarantee that we will be able to deliver incentives bags to all areas of the state. We will do our best!

During this event, we ask providers to open their doors to vaccinate all children at no cost to the parent, regardless of the child's insurance status or if the child is a current patient of the clinic office. Working together we can ensure that no child will suffer from a vaccine-preventable disease because they did not receive vaccinations.

If you have any questions please contact either Anna Pentler or Maggie June at the NM Immunization Coalition, 505-272-3032; or Jessica Spittler at the NM Primary Care Association, 505-855-6979.

Please give us directions to your Got Shots event (if needed), and tell us in the space below any other important details about your clinic:

Organization / site name

VFC Pin #

Contact name

Address where your Got Shots clinic will take place

City / State / Zip

Phone number

Email address

On the calendars below, fill in the hours on the dates you will participate. Also provide the times if your office is closed for lunch.
