All Peoples Church School Supply Drive

Help us supply the students of the Harambee Neighborhood with the supplies they need to start the school year right!

There are three ways to donate:

1. **Check out the supply list on the other side of this flyer. Buy everything a student would need *OR* donate any of the listed items so we can build backpacks at church.**

2. **Follow the QR code to see our Amazon wish list. Pick out a backpack and select all the items to fill it *OR* buy supplies in bulk. They can be shipped to church so we can build the backpacks.**

3. **Donate money! Drop a check in the collection plate *OR* send a gift card on Amazon. Then we can buy extra supplies to build more backpacks!**
