

## **TERMS OF REFERENCE – 2019-20**

### **Purpose**

The main purpose of this award is to publicly recognize the research publication achievements of Department of Medicine residents. Presentation of these awards also aims to encourage residents to pursue publication of their work.

There are two Resident Research Publication Awards. One award for PGY1, PGY2 and PGY3. One award for current CIP residents, PGY4, PGY5, and PGY6 residents.

### **Eligibility Criteria**

Awards are presented for achievement during the current academic year (July 1-June 30). All Department of Medicine residents are eligible to apply. Ordinarily individuals would receive an award no more than once per category.

### **Awards**

Consideration of awards will be given on an annual basis; however, depending on the merit of the application, they will not necessarily be given every year. Recipients of these awards will be announced electronically to Department members.

The Awards consist of the presentation of a plaque and a cash award of \$350.

### **Nomination Process**

It is a self-nomination process. With the aim of providing practice in completing applications and identifying/promoting your research activities.
