

FUNDAMENTALS OF TEACHING PROGRAM

The Fundamentals of Teaching Program is a series of **online** courses designed to support Dalhousie medical faculty in their roles as teachers. Join us for our next accredited course starting in July.

Course: A Practical Approach to Teaching During COVID

July 20 – August 31, 2020 | Webinar dates Jul 23, 30 and Aug 6 and 13 (8-9 pm)

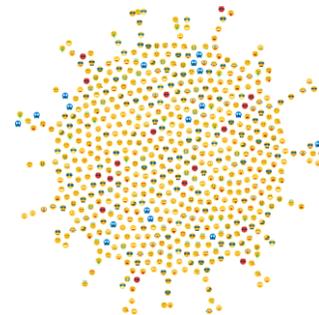

Objectives:

By the end of the course, participants will be able to:

- Identify strategies to improve online learning experiences including lecturing, grand rounds, and small group learning sessions.
- Effectively provide clinical teaching and supervision in altered clinical circumstances (including virtual care).

Units:

1. Clinical Teaching 1
2. Clinical Teaching 2
3. Tutoring and Small Group Learning
4. Online Presentations and Lectures

Delivery details:

This course will include 4 evening webinars that participants are encouraged to attend in person if possible but which will also be recorded and added to course content. Assigned readings, videos, quizzes, and reflective exercises are completed online whenever convenient for participants. Discussion boards are moderated by experienced medical educators.

Register [here](#) Registration fee: \$60 - limited to 30 participants

This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the Continuing Professional Development Office of Dalhousie University for up to **10** Mainpro+ credits. This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by Continuing Professional Development, Dalhousie University. You may claim a maximum of **10** hours (credits are automatically calculated).

Through an agreement between the Royal College of Physicians and Surgeons of Canada and the American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 Credits™. Information on the process to convert Royal College MOC credit to AMA credit can be found at www.ama-assn.org/go/internationalcme.
