

30x30 Partnership 2025 Summit Sponsorship Opportunities

August 14, 2025 • San Diego, CA

This year's 30x30 Partnership Summit in San Diego is expected to draw over 400 participants! As a sponsor for this event, you will play a vital role in creating an inclusive, engaging, and meaningful experience for people from all across California and beyond. Your support will:

- 1. Demonstrate Leadership and Commitment:** Your sponsorship will inspire others to support California's 30x30 initiative's crucial community and biodiversity protection goals.
- 2. Support the Growth and Reach of Conservation Partners:** Locally-led voluntary action is at the heart of California's 30x30. By contributing to the Summit, your organization will help others come together to learn, collaborate, celebrate, and be inspired.
