## Recommendations for Presbytery Committees

(If FIRST Church, please list city)

In the chart below are six (6) general areas of categories of expertise and related names of the committees required to carry out the work of the Presbytery. The members of the Nominating Committee of the Presbytery are diligently searching for ruling elders (E), teaching elders (M) and lay persons (L) to serve on one or more of the committees listed in the chart. Non-ordained lay persons (L) may also serve on many presbytery committees. Below the chart, please fill in the name, committee, and requested information about each ruling elder (E) or teaching elder (M) you think to be qualified to serve on one or more of the committees. As we work hard to keep our committees properly balanced as to clusters, elders or lay persons to clergy, men to women and with racial/ethnic representation, your recommendations will be reviewed.
