

## **BLM Goes to North Carolina**

UUCAers are invited to join the UU Reeb Voting Rights Project's trip to Raleigh/Durham North Carolina the weekend of October 7–9. We will work with fellow UUs, the NAACP, and Democracy NC to do all we can to counteract the atrocious voter suppression efforts that are disproportionately affecting eligible minority voters. With all the rapid changes taking place in the North Carolina rules and procedures, talking directly to voters is critical to avoid the kind of misinformation that can reduce turnout and participation.
