

Comissioned Lay Ministry Council
Central East Region of the UUA

October 31, 2018

Dear Diane,

Congratulations!

Following your interview on October 30, 2018, the Commissioned Lay Ministry Council of the Central East Region of the Unitarian Universalist Association recognized that you had successfully met the criteria and requirements established by the Council for the Commissioned Lay Ministry Program.

The Council voted to grant you recognition as a Commissioned Lay Minister, upon approval and commissioning by your congregation, the Unitarian Universalist Church of Arlington, VA. This recognition is for the term beginning November 1, 2018 until October 31, 2021.

We want to urge you and your congregation to celebrate your commissioning with a recognition ceremony, if possible. And if you like, we have a couple of model commissioning ceremonies we can share with you.

Congratulations again on completing the requirements of the Commissioned Lay Ministry Program. The Council wishes you a long and fruitful ministry as you work to support your congregation and strengthen Unitarian Universalism.

With Blessings,

Joan Van Becelaere
