

Whether with your voice, or an instrument, or movement or all of the above, there is a place for you to Connect, Grow and Serve through music-making at UUCA!

Sanctuary Singers. Sanctuary Singers welcomes any and all high school and adult singers who love choral singing and the unique musical community of a choir. The choir sings an eclectic repertoire that includes choral classics, jazz, gospel, folk and world music. There are no auditions and all are welcome, including non members of the church. Sanctuary Singers are at the heart of music ministry at UUCA. Rehearsals are weekly on Thursdays from 7:15-9:15 p.m. in the Center. For more information, contact **Sophia Morreale, Interim Director of Music, smorreale@uucava.org.**

Chalice Musicians (K-4th Grade). Join us in the joy of making music together as we explore our world through the UUCA RE lens with singing, playing instruments, and moving to the music of many times and many places. If you love or are curious about music in any way here is a place for you to start your music journey! Particular emphasis this year will be in celebrating each person, finding and exploring one's voice, and sharing in service through song, play, and movement. Parents and family members are encouraged and welcome to attend all rehearsals to learn and grow right along with us. Rehearsals are Sundays from 10:30-11:00 a.m., beginning September 29. For more information, contact **Jennifer S.E. Haywood, Ph.D., Children and Youth Music Leader and Intergenerational Pop-Up Ensembles, jhaywood@uucava.org.**
