Sept 29 Phone Bank after the Service in UUCA, Activity Room, 12:30–2:15

We will be partnering with the Center for Common Ground/Reclaim Our Vote to mobilize voters of color in North Carolina. Most calls will involve leaving messages (many folks do not pick up calls from unknown callers these days—but they do check messages). Both a phone conversation and a message are more effective in turning out voters than postcards.

Have a light lunch while being trained by UU the Vote organizer, Jennifer Richardson. This phone banking may be easier and more rewarding than you have done in the past because the phone system is user friendly and Jennifer will provide thorough training and be available to answer questions as you make calls. This is a great way to try phone banking in a friendly, supported environment.

We also need help with providing food, setting up and cleaning up for this event (No phone calling necessary).

Please register at <https://mobilize.us/s/vdiM7a>. For more information contact Suzan at suzanc825@gmail.com. **Please bring a laptop or tablet along with your phone to participate in the phone bank.**

Canvas in South Arlington with VOICE and the Arlington NAACP on Sat Oct 12 and 19 from 2-4 (Family Friendly)

We are partnering with VOICE and the Arlington NAACP to do voter registration and education in South Arlington on Sat Oct 12 and 19 from 2-4. All are welcome. Families can canvas together. This is a good way to model active citizenship for kids. Spanish is not required, but it would be helpful to have a few Spanish speakers participate. So, if you speak Spanish please join us and encourage other UUCAers who speak Spanish to do so. Please contact Suzan suzanc825@gmail.com to learn more or register or stop by the UU the Vote or VOICE tables at the Social Justice Fair after Sunday services this Sunday.

Canvass with UUs in Raleigh, North Carolina Oct 25-27

Sign up NOW to join UUs from around the region for door-to-door canvassing in Raleigh/Durham (Oct 25-27). Organizers are arranging a bus from the DMV to Raleigh/Durham and NC UUs are opening their homes for housing for out-of-state UUs. Signing up now helps in making transportation, housing and food arrangements. This is an opportunity to connect with UUs on the road for fellowship, faith, fun-and getting out the vote in a key battleground state.

Post carding

We are writing postcards to mobilize voters of color in the battleground state of Georgia. Pick up a set of 20 postcards containing everything you need (e.g., postcards, postage) in the Fellowship Hall Sundays after each service. Post carding materials cost \$14 per set. A donation is suggested, but not required. To pick up a set of postcards at other times contact Ellen at elltaylor41@aol.com.

Organize a Post Carding Party

Many of you are seasoned post card writers. Consider hosting a post carding party of your own. It is as simple as sending an email to your church groups, friends, or family inviting them to your home to

write cards at a particular time. Provide a few snacks and have a good time. UU the Vote will donate 2 sets of cards for your party. For info on organizing a post carding party contact Suzan at suzanc825@gmail.com.

Connect to Win: New Online Course Teaches the Art of Relationship Network Deep Canvassing, online and free

This new, comprehensive online course is designed to equip you with the skills for deep canvassing-- the most effective way to influence people's voting behavior. The course is useful for anyone interested in the methods of deep canvassing, and is particularly useful for people interested in relationship network deep canvassing, a term that means using best practices in persuasion to influence people in one's network who are undecided about whether to vote or how to vote. Connect to Win offers 64 short lessons, each approximately 4 minutes long. You can watch the ones most pertinent to you.
