

UNITARIAN UNIVERSALIST CHURCH OF ARLINGTON VIRGINIA

A Place to Connect, Grow and Serve

January 25, 2018

Welcome Rev. Beth Miller as Temporary Senior Minister

We are pleased to welcome Rev. Beth Miller to UUCA as temporary minister for the next few months. Rev. Beth comes to us through the Unitarian Universalist Association's new Targeted Ministry Program, designed to help congregations in need of temporary leadership.

Beginning February 1, Rev. Beth will be on-site at UUCA, working primarily on worship and pastoral care, providing a presence in the pulpit and—in collaboration with the pastoral care team—meeting the needs of our congregation. Tamara Srader will serve as acting executive director and oversee administrative functions of the church.

Rev. Beth has served as minister for four UU congregations, directed the department of ministry and professional leadership at the Unitarian Universalist Association, and worked as an organizational development consultant to many congregations. She currently volunteers for the UUA as a mentor and coach for other ministers. Rev. Beth earned her Master of Divinity degree from Wesley Theological Seminary and was jointly ordained in 1990 by her home congregation, the UU Church of Rockville, Md. and her internship congregation, Paint Branch UU Church in Adelphi, Md.

Rev. Beth has two grown children and one grandson, and lives with her cat, Buddy. For fun she sings in a 200-member rock and roll choir and loves movies, plays, and all kinds of musical events.

You can contact Rev. Beth at uucarevbeth@gmail.com.
