

“UUCA Circle Dinners” 2019-2020 is a program intended to facilitate community building through shared meals within our congregation. Each session, participants are placed in groups of 6-8 adults who arrange to meet and share a meal 3 to 4 times between November and May. Through these meals, circles have the opportunity to get to know other members and friends of the UUCA community as well as to meet and welcome new members. There are two types of dinners to choose from: Potluck (groups which gather in private homes), or Restaurant (groups which gather in local restaurants). Potluck group participants bring a dish to contribute to the meal. Members of the circle take turns hosting. Restaurant group participants take turns organizing the outing and selecting a restaurant for all to enjoy. If you are unable to commit to a minimum of three dinners, you can request to be placed on our substitute list.

“UUCA Circle Dinners” is a program for adults only. Watch for potluck dinner opportunities offered through the RE department for families.
