

## Unitarian Universalist Church of Arlington – Va.

Give Plus Mobile is our new online giving app for Android or iPhone. It's quick and easy to use.

1. From the App Store, download Give Plus
2. Enter the zip code "22204" and then select "Unitarian Universalist Church of Arlington".
3. If you have been using online giving through Vanco, enter your user name and password. If you have forgotten your password, you can reset your password on this screen. There is an option to "Give Now" which does not require a user name and password. You may use this; however it does make it challenging for us to credit your pledge account with this method. We highly recommend that you sign in with a user name and password so that we can account for your payment properly.

To create a new account, you will enter your first and last name along with your email address.

4. Once you have logged into your account, click the "+" at the top right of the app. You have four choices to give:
  - a. Capital Campaign
  - b. Annual Pledge
  - c. Share the Plate
  - d. Young Adults

Make your selection and after that you can choose the frequency of the gift (one time, weekly, biweekly, monthly), date to start (if it is a recurring gift) and amount.

Next you will select how to pay – either a credit/debit card or a checking/savings account.

The minimum donation is \$5.00 for each transaction.

You have the option to offset the donation by 2.75% to help us with costs associated with the electronic transaction.

Thanks for continuing to support UUCA.
