

LIBRARY INSIDERS: SHRINKY DINK KEYCHAINS

Wednesday, June 28, 11:00-12:30

Shrinky Dink Keychains

What is old is new again – What's big is small again

Let's bring back the shrinking art of the 1980s!

SPL Insiders offers adults and young adults with intellectual and developmental disabilities and spectrum disorders an opportunity to become familiar with library resources and facilities, and to feel comfortable using the library and interacting with staff. We will meet in the Central Library's West Meeting Room.
