2018 Dreams to Goals Workshop

"ROADMAP TO SUCCESS"

Saturday, February 24, 2018
10:00 AM - 2:30 PM

Olive Ranch School Library
5280 Stirling St., Granite Bay

Dreams to Goals is a unique opportunity for youth both with and without disabilities to express their hopes and dreams and learn how to turn them into achievable goals. Each youth is paired with an adult mentor for a day of exploration, as they learn to articulate their dreams and goals through a variety of activities. We must limit the total number of participants to 21, due to space and staff capacity. Each participant must have a cognitive age of at least 12 years old.

This event is free but you must be registered to attend. **Registration ends February 10th**, but those who register by January 27th will receive a ticket for a raffle drawing.

RSVP to: atouyouthforce@touchofunderstanding.org
