

Join us for Wonder Lab: *Wingding*!

Sunday, November 19 • 11 AM – 1 PM • Free for everyone

Celebrate the grand opening of *Wingding*, an interactive art installation designed for young children. Be the first to explore *Wingding*, and meet its artist, Sonja White. Enjoy drop-in art-making activities and hands-on play. Children with learning and developmental disabilities and their families are especially invited. Visual resources, sensory toys, and a quiet space will be provided. Wonder Lab is presented in collaboration with the Crocker Art Museum's Art Access Committee.
