

# Family Time at the MIND

## Yoga/Game Night

*Join us at the UC Davis MIND Institute for a family social and recreation night. It will be an opportunity for children with neurodevelopmental disabilities to socialize and participate in recreational activities along with their families and peers.*

Our **Yoga/Game Night** will include a yoga session, crafts, board games, sensory items and light snacks.

Bring your own yoga mat if you have one, we will have extras if not. This event will be sensory friendly and welcoming to all ages!

*This event is made possible thanks to the generosity of donors. Donations to our Child Life fund are welcome.*
