presents

Transition to Adult Services for Youth with Disabilities

As youth (14-22 years old) move into adulthood, they and their families have many choices regarding services. This transition fair provides the opportunity to learn about what options are available.

Resource Fair

- Living Options
- Day Programs, Employment & College
- Supporting Self-Determination/Self-Advocacy

*We look forward to seeing
YOUTH and PARENTS
at this exciting event!*

Presentation—Person-Centered Planning (PCP)

PCP assists in identifying what is important to the individual whereas assessments identify what is important for the individual. Support plans that include what is important to the individual have a far better chance of success than supports plans that just include what is important for the individual. Learn how you can participate in PCP.

This event is free, but registration is required.
