

Child Action, Inc. invites you to a FREE workshop...

Behavior Modifications: Reducing Challenging Behaviors

Presented by Zeenat Kausar, MS, BCBA with Juvo – Autism + Behavioral Health Services

In this workshop, parents and professionals will gain a better understanding of why challenging behaviors occur and what purpose they serve. Parents and professionals will also learn to identify appropriate replacement skills for challenging behaviors and effective evidence-based strategies for reducing the occurrence of challenging behaviors.

Wednesday
May 30, 2018
6:30 pm – 8:30 pm

North Highlands/Antelope Library
4235 Antelope Road
Antelope, CA 95843

Sorry, play care is not available. Space is limited for this FREE workshop.
