

AUTISM-FRIENDLY FAMILY MOVIE

Saturday, March 25 10 am

Join us for a Free Movie Presentation
designed especially for kids with **Autism**
and/or **Sensory Disorders**.

STORKS

2016, PG, 89 min, Warner

A lonely kid beseeches the storks to deliver a baby to his workaholic parents -- despite the fact that the birds have long since gotten out of the baby business, and now courier packages for an Internet merchant. But the discovery of an infant in the warehouse inventory forces the delivery service's recently promoted stork owner (Andy Samberg) to deliver one last bundle of joy.

Fidget toys and snacks will be available.
"Typical" kids and their families are welcome!
