

# PITC Parent Meetings

When you are with your child, do you ever wonder:

- “What is he learning when I play with him?” “How can I support them as they learn new things?”
- “When will she start talking?” “What do other parents do?”
- “What caused that melt-down and how can I help?”

Join parents and Infant Toddler Specialist - Judy Ishiura Walker, Regional Training Coordinator with WestEd, The Program for Infant Toddler Care, in a lively conversation revealing parenting issues.

Parents attending the session will also have an opportunity to work one-on-one with Judy in following up with questions, resources, or additional support.
