

Did you know Immanuel has a Referral Program for Immanuel school families who refer new families to enroll in Kindergarten through Grade 8?

There is up to a \$500 tuition bonus to you for each new child that enrolls based on your referral! NO LIMIT!

Word-of-mouth is a powerful tool and we want to reward our current families for promoting our educational and school ministry strengths to family and friends.

Referral tuition incentive amount:

- If a student enrolls in Grades 1-8, the referring family qualifies for the full referral incentive of \$500/per new student.
- If a student enrolls in Kindergarten, the referring family receives \$250/per student.
- One incentive will be granted per each new student. Example: Family enrolls with 3 students in Grades 1-8; referring family will receive tuition incentive of \$1500!

Note: mid-year transfers will have the tuition bonus prorated for the time actually enrolled.

The new family has to initiate the claim by naming the referring family. The referring family then needs to complete the claim form that will be sent.
