

# ROBOTICS FOR KIDS

**There's something for everyone!**

**1st-3rd**

**Summer Robotics  
LEGO Camps**

Teams of 1st-3rd graders  
build and learn to program  
an EV3 robot  
by completing  
mini-missions

July 11-12-13 9:00-11:30am  
July 11-12-13 1:30-4:00pm  
July 18-19-20 9-11:30am

**1st-3rd**

**Summer eXplore  
LEGO Camps**

Designed to challenge  
both the novice and  
the long-time builder  
with exciting  
daily build challenges

July 18-19-20 1:30-4:00pm

**4th-8th  
Summer**

**LEGO Workshops**

Enter the world of  
LEGO robotics  
by designing and building  
a competition robot

July 14 12:30-5:30pm  
July 15 12:30-5:30pm  
July 21 12:30-5:30pm

**8th-12th  
Summer**

**Metal Workshops**

Experience bigger robots  
with a team through building,  
programming, and  
driving your robot

July 28-29 12:30-5:30pm

**Fox  
Valley  
Robotics**
