(no class 10/16)
\$153 for 8 weeks (\$17 each)

Classes take place directly after school. Classes are limited to 16 students each with 1 teacher.

Sign up at www.play-well.org

Kids are already naturally gifted creators. They dive into our massive collections of LEGO®. And while they build elaborate objects they explore fundamentals principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting.
