

RESULTS LEARNING
Guiding **Bright** Minds

Does your child struggle with organization and/or turning in assignments? Results Learning's C.E.O. (Concrete, Effective, Organizational Strategies) After School Homework Program at Cherry Creek Academy is designed to help your child build organization, time management, and study skills while completing homework.

Your child will:

- Learn new organization, time management and study skill strategies from specialized tutor in each session
- Work on homework in a structured, small group environment
- Fill in his or her planner
- Organize backpack and/or binders
- Develop a routine for completing homework at home and in the after school program
- Plan for upcoming assignment
- Be supported by an executive functioning tutor at a 6:1 student to teacher ratio

Learn more about the C.E.O. After School Homework Program by calling 303-771-1160 for more information and ask for Cyle Feingold.
