ABOUT

LOUIS FONSECA PRODUCTIONS & THE PIG ROAST COMMAND

The **South Florida Pig Roast Series** is South Florida's premier celebration of food, culture, heritage, and community. Created by **Louis Fonseca Productions**, **The Pig Roast Command** and **Kiko Hospitality Group**, this unique series brings together competitive pig roast teams, community leaders, first responders, military personnel, businesses, and families in a tradition rooted in camaraderie and service.

At the heart of every event is the time-honored art of whole hog roasting. Teams spend hours mastering fire, smoke, seasoning, and techniques to produce perfectly roasted pigs with crispy skin, tender meat, and unforgettable flavor. More than a competition, the Pig Roast Series honors generations of cultural traditions while showcasing the passion, dedication, and craftsmanship of the teams that participate.

Beyond the roasting pits, the series serves as a community gathering where people from all backgrounds come together to enjoy great food, live entertainment, friendly competition, and meaningful connections. Through partnerships with the military, law enforcement agencies, first responders, nonprofits, schools and local businesses, the Pig Roast Series helps strengthen the bonds that unite our communities.

Mission: To preserve and celebrate the tradition of pig roasting while fostering fellowship, supporting our military, first responders, education, promoting community engagement, and creating unforgettable experiences for all who attend.

Core Values : God • Country • Community • Family • Food • Culture • Heritage
"Where Tradition Meets Community and Every Roast Tells a Story."

Kiko started out as the “Chef Hunter.” He’d scope out the best restaurants, and find out who was rocking it in the kitchen. He’d put a camera in their face with no script. The goal was to capture the true essence of who they are, and what drives them. Along the way, he became friends with countless chefs, owners, and entrepreneurs. Getting the word out and keeping up with the hottest spots became what I am known for.

Supporting them was always the main focus, but doing it my way, in both English and Spanish. On NBC6INTHEMIX & TELEMUNDO51 I covered a lot of ground. Twenty years deep and I’m still here supporting local spots and giving back to my community. Kiko now co-produces Miami’s #1 Podcast @adayinMiami with 246,000 followers.
