

The Big Tickle

Cocktail Recipe

1.5 oz Bourbon (We recommend Larceny or Elijah Craig, but any of your favorites will do)

.5 oz Benedictine (You can find 2 oz bottles of both of these spirits at your local ABC store)

3 oz whole milk

.5 oz simple syrup (Equal parts sugar and water. Agave syrup works great because you can mix it cold)

Soda water (Any carbonated or seltzer water will do, but make sure it's not tonic or something with citric acid as that will curdle the milk. Make sure the soda water is kept well refrigerated. You want it as cold as possible.)

Combine all ingredients except soda water in a glass with ice. Vigorously shake ingredients if possible, stir if not.

Strain chilled ingredients into other glass. Gently add soda water until a nice frothy head develops.

Dust with cinnamon.
