

Theresa Banks, DTM

Theresa Banks has been a member of "Toastmasters International" since April of 1999, and is known to many as Terri. She's earned the status of DTM and is one of District 103's preferred trainers. She's been a member of three clubs since joining the organization and is currently a member of the "New Faith" and "Hispano-Americano" Toastmasters clubs.

On a personal level… Theresa has worked in the field of Information Technology since 1987, has a Bachelor's and Master's degree in Computer Science from DePaul University and Governors State University respectively, has published 5 books, teaches publishing classes and makes jewelry. In her spare time, Theresa helps children through the Junior Achievement program and enjoys being a member of the Red Hat Society.

Educational Workshop Session

Zoom, Zoom, Zooma, Zoom

The session will be on:

Members and visitors that attend this session will have an opportunity to learn more about participant and host features offered within the tool.

The session will be fun, interactive and is suitable for a novice and experienced Zoom user. Attendees should leave this session feeling more knowledgeable on how to use various features of the Zoom tool from a basic to advanced level.

What 3 Incredible Takeaways TLI Attendees Will Leave With?

1. Leave the session feeling more knowledgeable on how to use various features in Zoom.
2. Receive basic and advanced level details about Zoom features.
3. See for themselves how participant and host functions work.
