

English Rosary Group
March 2021 Intentions – St. Joseph

- We thank You, Lord, for our school and parish community at St. Anthony of Padua. We ask You to hear the prayers of our students and their families, our teachers, our school administrators, our faculty and staff, our priests and deacons, our lay ministers, and every parishioner. We ask for every grace and blessing on this community. May the Holy Spirit guide our decisions. May our lives be centered on the teachings and the Person of Jesus Christ, truly present in the Eucharist.
- We pray for the needs of our neighbors recovering from the February storms. We ask You to provide for those in need of heat, clean water, food, shelter, employment, medical care, and all other corporal needs, and to open our minds and hearts to the ways we may assist.
- We pray for protection and healing from the coronavirus and from all other bodily and spiritual harm. We ask You to show us the way forward.
- We pray for peace and healing in our nation, the United States of America. We ask for the conversion of our people, and we make reparation for sins and offenses committed here against our Lord and His Church.
- We join in praying for the Holy Father's intention for the month of March: The Sacrament of Reconciliation. "Let us pray that we may experience the sacrament of reconciliation with renewed depth, to taste the infinite mercy of God."
- We pray for members of our school and parish community preparing to receive Sacraments, particularly for our second graders preparing for First Holy Communion. We thank You for our newly ordained deacons.
- Additional intentions:
