

# Camp Glade

*A Fine Arts summer experience for kids 7 - 14*

Glade Arts Foundation

2000 Woodlands Parkway  
the Woodlands, TX, 77380

The Glade Arts Foundation offers a diverse program of exciting art experiences for learners of all ages. This summer, kids from age 7 to 14 can gain fresh perspectives and find their passion in studio art through weekly immersive classes, or enhance their techniques while being introduced to art history and other art-related topics. The stellar instructors on board are passionate about art and art education, and are teaching classes in their areas of expertise. Courses are 3 hours each, divided by age groups, offered in the mornings or afternoons to fit your summer schedule, and range from studio art to improvisational jazz.

***SIGN UP YOUR YOUNG ARTIST TODAY!***

**June 4 - 7**  
**9:00am - 12:00pm**  
Ages 7 - 10

**Instructor:**  
Jessica Simorte

**Adventures in Collage** - Come explore different ways to make collages in "Adventures in Collage!" Each day we'll focus on a new theme and make a collage based on that topic. Expect to make art about your favorite food, about color, and more. By the end of the week you will get to take home lots of artwork that shows off what paper and glue can do.

**June 4 - 7**  
**9:00am - 12:00pm**  
Ages 11 - 14

**Instructor:**  
Roberta Willeford

**Prints and Papers** - Welcome to Prints and Papers! In this workshop, students will be introduced to the rich history of producing multiple images from a single design. Emphasis is on design and the creative use of materials and techniques of the relief and monoprint printing process. Students will recycle and create unique one-of-a-kind paper for printing! Come ready for some messy art-making fun!

**June 4 - 7**  
**1:00pm - 4:00pm**  
Ages 7 - 10

**Instructor:**  
Corie Fairchild

**Elements & Principles of Art & Design I** - Young artists will soar to great heights through this series of lessons which cover the Elements and Principles of Art and Design. Through the use charcoal, graphite, oil pastel, watercolor, and acrylic paint, students will increase their ability to express themselves more effectively and to render more realistic works of art. Not to mention, have a lot of fun while doing so!

**June 4 - 7**  
**1:00pm - 4:00pm**  
Ages 11 - 14

**Instructor:**  
Sarah Ward

**Colored Pencil Workshop** - Colored pencils are one of the best mediums for detailed artwork, allowing precision and control of detail. Students will explore different techniques, such as blending colors, layering, and burnishing to create realistic works of art. Due to its ease of use and portability, this course is a must for the artist on the go!

**June 11 - 14**  
**9:00am - 12:00pm**  
Ages 7 - 10

**Instructor:**  
Maria Garrett

**Painted Cardboard Sculpture** - Young artists will be creating 3D Art sculptures using a variety of materials including cardboard, other paper products, and paint. We'll be exploring different textures, shapes, forms and color to build fantastic and imaginative sculptures. Join the fun!

**June 11 - 14**  
**9:00am - 12:00pm**  
Ages 11 - 14

**Instructor:**  
Roberta Willeford

**Prints and Papers (repeat)** - Welcome to Prints and Papers! In this class students will be introduced to the rich history of producing multiple images from a single design. Emphasis is on design and the creative use of materials and techniques of the relief and monoprint printing process. Students will recycle and create unique one-of-a-kind paper for printing! Come ready for some messy art-making fun!

**June 18 - 21**  
**1:00pm - 4:00pm**  
Ages 7 - 10

**Instructor:**  
Donna Gregory

**Exploring the World's Great Artists I** - Young artists will explore and create with fun media techniques while learning about four famous master artists: Vincent Van Gogh, Wassily Kandinsky, Claude Monet, and Henri Matisse. Enjoy painting, collage, monoprints, and colored pencils with a bit of art history knowledge and art techniques they will want to use again and again!

**June 11 - 14**  
**1:00pm - 4:00pm**  
Ages 7 - 10

**Instructor:**  
Corie Fairchild

**Elements & Principles of Art & Design II** - Young artists will expand their talents past a simple paint brush or pencil as they discover new tools and techniques to transform their inner emotions into meaningful works of art! Perfect for the young child who wishes to express themselves in a healthy, positive, and effective way!

**June 18 - 21**  
**1:00pm - 4:00pm**  
Ages 11 - 14

**Instructor:**  
Roberta Willeford

**Prints and Papers II** - Students will extend their printmaking experience and use hand tools to carve designs into a matrix for relief printing. Students will discover new materials to print on, including hand-made papers. No pre-requisite is required, this may be taken as the beginning class. Come ready for another round of messy art-making fun!

**June 11 - 14**  
**1:00pm - 4:00pm**  
Ages 11 - 14

**Instructor:**  
Sarah Ward

**Watercolor Pencil Workshop** - Looking for a fun and convenient way to create watercolor artwork? Watercolor pencils are a unique medium that combine the best parts of both pencils and watercolors. In this course, students will learn the basics as well as tips and tricks for a variety of watercolor pencil effects. Everyone is welcome - whether you're a beginner or an experienced artist!

**June 25 - 28**  
**9:00am - 12:00pm**  
Grades 7 - 12

**Instructor:**  
Darryl Bayer

**Spontaneous Composition** - Jazz Improvisation Skills. From beginner musician to advanced, the class will explore how the brain hears a melody and transfers that musical thought into the electrical impulses to trigger the body and execute this melody into a music instrument. Learn memorization and motivic development of a single new melody and learn how to improvise "on the fly" during a jazz performance.

**June 18 - 21**  
**9:00am - 12:00pm**  
Ages 7 - 10

**Instructor:**  
Maria Garrett

**Paint, Paint, and more Paint** - Young artists will be exploring different types of paint and learning a variety of painting techniques to create an exciting series of art works. We'll work with traditional media, such as watercolors and tempera paint, and then get a little crazy with nontraditional methods, like painting with bubbles! Come ready to have a good time!

**June 25 - 28**  
**1:00pm - 4:00pm**  
Grades 7 - 12

**Instructor:**  
Darryl Bayer

**The Woodlands Jazz Project** - Ensemble Skills. Students will learn and perform from the many types of styles associated with jazz. Early blues melodies are followed by Big Band Era swing, then into fusion and modern jazz all with opportunities to be expressive and use improvisation skills. Emphasis is placed on style, proper articulation, balance and harmonization understanding the proper use of tone inflection.

**June 18 - 21**  
**9:00am - 12:00pm**  
Ages 11 - 14

**Instructor:**  
Cynthia Reid

**Wet 'N Wild Watercolor** - In this class students will learn a variety of techniques, such as marks, washes, spattering, stenciling, wet-in-wet and many more to create paintings. Come experiment with using watercolor with other materials like salt, alcohol, plastic wrap, sponges, graphite, and acrylic for a creative and fun experience!

**July 9 - 12**  
**9:00am - 12:00pm**  
Ages 7 - 10

**Instructor:**  
Maria Garrett

**Mixed Media Collage** - Young artists will be using different materials and techniques to create a mixed media collage. We'll be exploring with such materials as textured paper, splatter paint, and stamps, and having adventures with fun techniques such as tape transfers and experimental brushing techniques. Don't miss this one!

**July 9 - 12**  
**9:00am - 12:00pm**  
Ages 11 - 14

**Instructor:**  
Chinedu Onochie

**Pop-Up Books** - Join us for Fairy Tale Pop-Up Books! Learn the techniques and folds to make your own cards and fantasy-inspired pop-up book from start to finish. Come and make your ideas literally leap off the page!

**July 9 - 12**  
**1:00pm - 4:00pm**  
Ages 7 - 10

**Instructor:**  
Caryn Rock

**Crazy Creatures** - Campers will use their imaginations to sculpt fantasy creatures made from recycled materials & plaster gauze, while learning about the elements of art with a focus on form. Rawr!

**July 9 - 12**  
**1:00pm - 4:00pm**  
Ages 11 - 14

**Instructor:**  
Sarah Ward

**Colored Pencil Workshop (repeat)** - Colored pencils are one of the best mediums for detailed artwork, allowing precision and control of detail. Students will explore different techniques, such as blending colors, layering, and burnishing to create realistic works of art. Due to its ease of use and portability, this course is a must for the artist on the go!

**July 16 - 19**  
**9:00am - 12:00pm**  
Ages 7 - 10

**Instructor:**  
Caryn Rock

**Animal Mania** - If you love animals and art, then this class is for you! In this multi-media class, campers will create artworks inspired by their favorite animals, both near and far, while learning about the elements of art. Each day will have an exciting new theme with a different project and activities centered around animals.

**July 16 - 19**  
**9:00am - 12:00pm**  
Ages 11 - 14

**Instructor:**  
Max Manning

**Intro to Acrylic Painting** - In this class students will investigate multiple approaches to painting with acrylics. Through the guided study of works by famous artists throughout history, students will learn a variety of genres and technical approaches to painting. Most importantly, students can expect to have fun and express their creativity.

**July 16 - 19**  
**1:00pm - 4:00pm**  
Ages 7 - 10

**Instructor:**  
Caryn Rock

**Animal Mania (repeat)** - If you love animals and art, then this class is for you! In this multi-media class, campers will create artworks inspired by their favorite animals, both near and far, while learning about the elements of art. Each day will have an exciting new theme with a different project and activities centered around animals.

**July 16 - 19**  
**July 23 - 26**  
**1:00pm - 4:00pm**  
Ages 11 - 14

**Instructors:**  
Kenneth Pierson &  
Corie Fairchild

**Mural Painting** - Students will work with Houston based artists Kenneth Pierson and Corella Fairchild, co-owners of KP & Corie Art. The couple will co-teach rendering designs in Adobe Suite software, and the techniques and processes for executing a finished mural. The end result will be a beautiful mural for The Woodlands Children Museum—a win-win for students and the community!

**July 23 - 26**  
**9:00am - 12:00pm**  
Ages 7 - 10

**Instructor:**  
Caryn Rock

**Paper Passion** - Endless possibilities for such a simple medium! Campers will have fun making textured papers to create beautiful paper mosaics, paper "glass" and cut paper sculptures, all while learning about the elements of art and principles of design.

**July 23 - 26**  
**9:00am - 12:00pm**  
Ages 11 - 14

**Instructor:**  
Chinedu Onochie

**Drawing with Charcoal** - Come discover the excitement of Drawing with Charcoal! Students will create detailed compositions as they learn to realistically depict light and shadows on still life objects and portraits with a variety of charcoal media.

**July 23 - 26**  
**1:00pm - 4:00pm**  
Ages 7 - 10

**Instructor:**  
Donna Gregory

**Exploring the World's Great Artists II** - We're back! In this series, we will be learning the history and techniques of Jim Dine, Piet Mondrian, Georgia O'Keeffe and Pablo Picasso. Artists will enjoy creating with soft pastels, textured glue, collage, painting, and oil pastels. Artist should come prepared to get their hands dirty and their heart filled with love for art! Please note, part I is not a pre-requisite of this class.
