# THE FORGETTERS:

## An Evening with GREG SARRIS

Saturday, July 27th • 6:00 pm to 8:00 pm

The Glaser Center • 547 Mendocino Ave Santa Rosa

Doors open to the public at 5:30

Join us at this FREE community event as author Greg Sarris speaks about his latest book.

“This collection of stories really penetrates the bone marrow and provides medicine for all of us who live on this land—and other places where colonization has distorted our relationship with the Land and her Stories. *The Forgetters* is an invitation to linger awhile under the spell of indigenous Storytelling; to dive deep into that corner of our Heart that is seeking Medicine.”

*Leny Mendoza Strobel*

Greg will speak, have a Q & A, and a book signing during the event.

This event is supported by community partner organizations.
