Leadership Monterey County Announces 2022 Class Participants

The Monterey County Business Council is excited to kick off the 2022 **Leadership Monterey County** program on February 25, 2022. A diverse cohort of thirty participants will learn about the critical businesses and organizations that create a thriving economy here in Monterey County. The 10-month program is designed to educate local leaders from different industries and to bring awareness and advocacy to all the significant economic impacts within the county. A schedule of class topics and dates is listed on our website at www.leadershipmc.org.
