

DEVICE/APP CONNECTING INSTRUCTIONS

Wellworks For You offers two ways to sync your wearable device or mobile application to your personal Wellness account – via the Wellness Portal or the Wellworks For You mobile app.

Website Connecting Instructions

Follow these step-by-step instructions to connect your device or app to your personal account via the **Wellness Portal**. Please Note: Apple devices and apps can only be synced via the Wellworks For You mobile app. Users should only sync one device or app.

1 Log into the Wellness Portal.

2 Navigate to the **DEVICE/APP CONNECT** page via the Portal Menu.

3 Select the **DEVICE/APP CONNECT** button.

4 Select the **+CONNECT** button under the icon of the device/app that you are connecting.

LOGIN

5 When prompted, enter your device/app username and password. Please Note: Prior to syncing your device or app to the Wellness Portal, you must register your account with the manufacturer.

Samsung Health or Google Fit Connect through Withings

Follow these step-by-step instructions to connect your Android specific apps to your personal account via the Wellworks For You mobile app. Search **WELLWORKS FOR YOU** on the Play Store.

1 Search for **HEALTH MATE** in the Play Store to download the Health Mate – Total Health Tracking app by Withings.

- 2** Create an Account in **HEALTH MATE** if you do not already have one.
- 3** Open the Health Mate app and choose **PROFILE** at the bottom of the app.
- 4** Scroll down until you see the Apps section and choose either **SAMSUNG HEALTH** or **GOOGLE FIT**, but not both.

5 Click **ACTIVATE**.

- 6** Slide the bar for Steps until the bar appears blue.
- 7** Your Samsung Health or Google Fit app is now connected to the Health Mate app.
