

GREETINGS & WELCOME TO MONTEREY COUNTY

TOP 10 THINGS TO PREVENT THE SPREAD OF COVID-19

Here are the Top Ten things we need you to do to prevent the spread of COVID-19 while visiting our beautiful County.

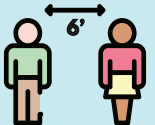

WEAR A FACE COVERING

Even though the wild life is not wearing a face covering, you NEED to at all times. Exceptions are when you are eating, drinking or if you have health issues that prevent you from wearing one. Kids 3-12 are required to wear face coverings.

KEEP YOUR DISTANCE

It may be tempting to get close to someone but resist - Be smart and stay 6 feet apart. Be smart and keep your patrons 6 feet apart.

AVOID CROWDS

We know you came here for a good time - Keep in mind it's too soon for large gatherings. Crowd out COVID during your stay.

WASH YOUR HANDS

Remember what your mother said; WASH YOUR HANDS or use hand sanitizer often.

BE PATIENT & KIND WITH YOUR HOSTS

There's great food & hospitality here, so go with the flow and listen to your hosts.

STAY HOME IF SICK

If you're not feeling yourself during your visit, maybe it's time to go home and get better, you can always come back another time.

ASK LOCAL STAFF

When in doubt about the COVID-19 rules of our county, ask your friendly hotel staff member, they will guide you in the right direction.

EDUCATE YOURSELF

Reading is fundamental, so make sure you read all the posted signs and placards about staying healthy during your visit to Monterey County.

SPEAK UP

Be patient with your hosts and merchants, they are adjusting too and need to follow the rules as well.

KEEP MONTEREY EXQUISITE

Help keep Monterey County beautiful, properly dispose of your personal protective stuff. Don't be a COVID-19 litter bug.
