

St. Michael's Episcopal Church
Mercy and Social Justice Ministry
2023 Parishioner Guided Grant Nomination Form

The Mercy and Social Justice Ministry Committee's mission is "to represent God's love and compassion through acts of mercy and justice." In 2023 the committee has continued to focus on providing financial support, in-kind donations, service, and forming partnerships in the greater community to love and aid neighbors and strangers in need. In keeping with our mission, St. Michael's will again be supporting community outreach through the 2023 Mercy and Social Justice Parishioner Guided Grants.
