Making the connection

Whatever your life stage or your circumstances, your Everence advocate offers the resources to help you cultivate and care for all your God-given gifts – so that you may put your faith into action. One way to do this is to make financial choices that reflect your beliefs.

Pastors and lay leaders, congregation members, Sunday school classes and small groups bring congregational and individual needs to the Everence Advocate

Everence

The Everence difference

Putting our principles to work for you

Did you know that when you purchase a product* from Everence, you're also helping church members and congregations? These benefits add no extra cost and have no effect on your premiums and fees.

Community and member benefits: Because part of Everence is incorporated as a fraternal benefit society, we can provide our members with benefits made possible by our tax-exempt status.

Working to make a world of difference

Everence also embraces a stewardship investing philosophy – an approach to financial decision-making motivated and informed by our faith convictions. This approach impacts our business in a number of ways:

- **We use a set of core values to screen companies and select investments,** balancing social and financial considerations.
- **We participate in corporate decision-making through shareholder advocacy efforts** that communicates our financial and social concerns to management.
- **Through our community development investing,** we seek innovative ways to invest in struggling communities across the country and around the world.

With Everence, you'll find the resources and services to help you make clearer choices with your finances, to help others and to live out your values every day.
