

Dear Parents,

We have planned another school-wide Kahoot! Christmas trivia game. Test your knowledge and engage in a family-fun activity together at 7pm this Friday, May 8.

To play you will need a computer screen to see the Kahoot questions (broadcasted over a Zoom video conference call) and as many hand-held devices as there will be players. We are limited to 100 participants on the Zoom call, so please limit one Zoom call per family. An unlimited amount of players can play within the family on their devices. For instance, the Tayman family logs into the Zoom call on their home computer and then Mr. Tayman, Mrs. Tayman and Justin play, each on their phone/iPad while viewing the shared Zoom screen.

1. Prior to joining Zoom call, download Kahoot! App onto each player's hand-held device.
2. Log onto the Zoom call using an ipad or laptop using your family name at 7:00 pm to give yourselves enough time to join the call. You will be in the Zoom waiting room until the host lets you in. To allow everyone an opportunity to join, we will begin at 7:15. ***Unfortunately, once the game begins, we can not allow late comers entry.***
3. Each player opens Kahoot! app and enters game PIN displayed on Zoom screen to activate the game and then waits for our host, Ms. Zenowich, to start the game.
4. Each player will be prompted to choose a Screen Name. Students should use their first name followed by their grade, i.e. Justin-Gr. 8
5. Once the game is started, players read the questions on the Zoom screen and select the correct answer by tapping it on your hand-held device within the allotted time (average of 20 seconds). Points are given for correct answers and weighted by how fast you answer.
