

Hello St Mark Families!

I hope you are doing well during the pandemic and staying healthy and safe.

The week before Mother's Day is typically when we hold our Mother's Day Plant Sale. Since we aren't able to be together as a school community I thought it would be nice to have a socially distant plant sale.

This year we will offer 10" hanging baskets for \$17. The plants must be pre-ordered and pre-paid for on or before April 29, 2019 using PayPal: [PayPal.Me/StMarkSchoolCT](https://www.paypal.com/payto.Me/StMarkSchoolCT).

Please email me with the number of plants ordered and your contact information at jessica.markland@gmail.com after you make the payment on PayPal. I will provide you with a confirmation that your order has been received.

Please understand the St. Mark School and the Diocese of Bridgeport Finance Department have activated this Paypal link for the purpose of facilitating our Mother's Day plant sale. All sales are final. The Paypal link should not be used to make any other type of payment to the school. After the order end date of April 29th, the link will be deactivated for security purposes.

Unfortunately we cannot request particular varieties or colors when the order is placed. Plants will be handed out on a first come, first serve basis.

To pick up your order, arrive at St. Mark School parking lot between 10 am - 2 pm on Saturday, May 9. Cars will form a line pulling up to the Parish Center doors (much like student drop off in the morning at school) and your order will be placed in your trunk. No need to even leave your car!

We hope the plants will help to brighten yours or a loved one's day.

If you have any questions please feel free reach out to me via text (203) 521-3247 or email: jessica.markland@gmail.com

Stay Well,

Jess Markland
