

Welcome to the 2020-2021 St. Mark After School Program!

As we work to reopen our St. Mark After School Program we are in the process of creating preliminary general guidelines, most mimicking those already set in place by The CT Office of Early Childhood, the CDC, and our school specific reopening plan. As an After School Staff, our first priority will always be the well being of the students, as well as the safety of our staff. As we explore these difficult and unusual times together, we will do our best to listen to your questions and concerns. As things progress and change with COVID, we will adjust guidelines to safely fit our program as necessary.

Please note, due to current guidelines, some things will change to best serve the health and well being of all students and staff.

- The After School Program will be located in the Parish Center (gym) and will utilize the outdoors as much as possible.
- The After School Program ***can no longer accept daily drop ins.*** Students must be registered for the days they will attend the After School Program at the beginning of each month. Registering for these days ahead of time ensures there is adequate space and staffing. These are the days you will be billed for in full at the end of each week. If your child is not registered for a particular day they will not be permitted to attend the after school program on that day.

Attached is a calendar for the month of September. Please indicate which days your child will attend the After School Program for the month. *Please return this completed calendar and After School Registration form to Ms. Sarah via the Main Office by noon on September 10.*

A monthly After School Scheduling Calendar will be emailed to the email address listed on your registration form, on or around the 15th of each month, beginning September 15th. Registration for the next month will be due on or around the 28th of each month and will only be accepted if you are paid in full for the previous month.

Please note, the After School Program will no longer have a separate phone number and will utilize the school phone number during operational hours only.

We look forward to seeing you and your child(ren) in the fall! An updated list of guidelines and regulations previously was sent out with the school reopening plan. Please review these before registering. *Should any questions arise, please contact Ms. Sarah via email at Scarrano@stmarkschool.org.*

Thank you,
The 2020-2021 After School Staff
