

# FHMS 4-8 VEX IQ ROBOTICS CLUB APPLICATION

Advisors: Mrs. Ivy Violette and Mrs. Mary McDonald

This club is for students who would like to be a part of a Robotics Team dedicated to hard work with a focus on STEM (science, technology, engineering, and mathematics). The Robotics Club will require a commitment from both student and parent. This is a club that will require attendance and engagement during the meetings. The club runs from mid-August to March. Students will need to attend all meetings on Tuesdays & Thursdays 7:30 am - 8:30 am. Students will also need to attend 2-3 competitions that are held on weekends during the school year. Family members will be required to assist in team management, chaperoning, and transportation to and from the competition. The students will be required to keep a daily log of their work with their robot and teammates. Each student must do their share of the work and know the ins and outs of their team's creation.

Students must commit to excellent attendance, quality participation, acceptable behavior, and passing grades. If any of these are in question the student may be replaced by someone that is on the waiting list.

Space is limited to a total of 30 students in grades 4-8. The membership fee is \$180, which will be collected once a club roster is in place.

Acceptance of application **does not** mean acceptance into the club.

**\*\*\* Note: no money will be accepted at the time of application! \*\*\***

To remain a member of the club, students must maintain passing grades and not be in violation of school discipline policies.

Please fill out and return this page to the basket outside Mrs. Violette's Classroom. (4th grade wing - room 207)

Students accepted into the Robotics Club will be notified by Monday, August 20th!

## FHMS VEX IQ ROBOTICS CLUB APPLICATION

Due: Friday, August 17th

Student Name: \_\_\_\_\_

Homeroom/Academic Strategies Teacher: \_\_\_\_\_

Do you have any robotics experience? If yes, where?

---

---

---

Please explain what being a part of a robotics club means to you.

---

---

---

---

---

---

---

---

Tell us why you would be a good member of this club. (building, research, note taking, teamwork, etc)
